# KHT: Korean Hand Therapy for Instant Pain Relief

(1-Day Basic Level)

*KHT is a complete energetic medicine system located on the hands. Each embodies a hologram of the entire body. The hands also reflect, like a mirror, the current condition of the body. If there is a pain or dysfunction anywhere in the body, there will be corresponding points on the hands. Find the points, treat the points, resolve the problems! Balance the micro-meridians to stimulate even greater healing powers of the body.*

## Learning Objectives

- ✓ Instantly reduce pain anywhere in the body
- ✓ Resolve functional problems
  - Find any body corresponding point on the hands
  - Identify the best treatment points
  - Effectively stimulate the points
  - Treat common pain problems with Correspondence Therapy
  - Supervised practice finding points and use of tools

**Who Can Benefit:** KHT seminars and training programs have been provided in the US, Canada and Mexico to acupuncturists, physicians, nurse practitioners, physician assistants, nurses, chiropractors, physical therapists, massage therapists and other complimentary health system providers.
